Dear Sir Uguil,

Greetings in Truth, Excellence and Service.

The Philippine Normal University Visayas and the Department of Education have always been partners in nurturing the Filipino learners through the exchange of knowledge and expertise. This year, we continue to bank on that spirit of collaboration.

Starting January 27, 2025, we intend to deploy our Fourth Year Students enrolled in Practice Teaching in our DepEd partner schools. As such, we implore your good office to work with us on this.

It is on this note that we ask for your approval and endorsement to the principals where our practice teachers could possibly have their off-campus practice teaching experience. The conduct of this internship activity will be guided by the provisions in the Memorandum of Agreement (MOA) forged between us.

Attached herewith is the list of schools we consider for students' deployment. However, we rely on your recommendation and decision as to which schools you would prefer to place our students so that they can engage mostly.

Thank you very much for your positive response to this request. God bless you.

Respectfully yours,
