The National Wildlife Festival is conducted in collaboration with the Local Government of Butuan City and Department of Environment and Natural Resources (DENR) CARAGA Region and supported by the USAID and Gerry Roxas Foundation to *raise public awareness on the plight of the Philippines' biodiversity and its very own endemic and native wildlife*. We expect a participation of 45 schools from 16 provinces and regions who have committed to participate in the National Wildlife Festival. The 2-day activity is composed of the **Biodiversity Talks, Wildlife Quiz** and the **Ecosystems Tour** that will allow the delegates to observe and appreciate the biodiversity and its effective management of Butuan City and its adjacent municipalities.

Specifically, the PhilBio, in behalf of its partners, is respectfully asking for your support and generosity to accommodate and facilitate your school representatives for the upcoming **8th National Wildlife Quiz**, namely:

1. KEITH J. MELQUIADES - Student Representative 1
