Dear **Dr. Uytico**:

Following the formalization of our Memorandum of Agreement (MOA) with your institution and the province of Negros Occidental, we shall implement in full swing the cultural mapping of Negros Occidental under the Cultural Mapping of Panay and Guimaras (CMPG) Project.

Part of our partnership with your institution involves the designation of Public Schools District Supervisors from each municipality/city in Negros Occidental who will serve as study leaders and mappers of their assigned town. The study leaders are also tasked to coordinate with the local school boards for the implementation of cultural mapping in their assigned areas.

Prior to the actual mapping activity, we will be inviting the senior cultural mapping facilitators of the National Commission for Culture and the Arts to train the local mappers of the province this July, of which includes the assigned Public Schools District Supervisors.

In relation to this, we would like to request for the names and details of the 32 Public Schools Districts Supervisors/School Administrators who will attend the training series on the following dates.
