**Subject: Request for the Dissemination/Information on ABC+ Early Grade Learning Hub**

Dear **RD Uytico**:

Warm greetings from ABC+!

Since last school year, ABC+ has been receiving requests from various schools for e-copy of the materials that the Project has developed in collaboration with the Department of Education so that schools can reproduce the materials based on the school need and context. Many schools have expressed that the materials can be used as supplemental learning resources for reading interventions and classroom activities.

We are pleased to share and introduce to you the Early Grade Learning (EGL) Hub, a resource portal developed by ABC+, which was introduced at the International Day of Education (IDE) 2024 Forum on January 24-26, 2024. This hub serves as a centralized one-stop shop for all resources developed by DepEd specifically Region VI and USAID through ABC+ for our stakeholders, government, educators and key users.

The portal is an online database and repository of DepEd-quality assured materials for learners, teachers, instructional leaders and supervisors on early grade learning. The contents are catalogued accordingly and can be accessed through the internet by following the step-by-step procedures outlined below:

Step 1: Visit <https://earlygradelearninghub.org/>

Step 2: Click on "Register" and fill in all required information.

Step 3: Complete the registration by clicking "Finish." A verification link will be sent to the person's email.
