SUBJECT : QUALIFIED APPLICANTS FOR DOST-SEI SCHOLARSHIP
PROGRAMS (BATCH 9)

DATE : 28 August 2024

1. The Department of Science and Technology – Science Education Institute (DOST-SEI) has been providing graduate scholarship programs for master's and doctorate degrees in science and mathematics education. Two of these are the **Capacity Building Program in Science and Mathematics Education (CBPSME)** and the **Science and Technology Regional Alliance of Universities for Inclusive National Development (STRAND)**.
2. The CBPSME aims to improve the quality of education and accelerate the development of critical mass of experts in science and mathematics education. On the other hand, the STRAND aims to reach out to and support the higher education institutions in the provinces that need to be strengthened in terms of developing human resource capabilities in science and technology.
3. On 12 July 2018, DepEd signed a Memorandum of Understanding (MOU) with DOST to enable its teaching and non-teaching personnel who intend to avail of the DOST-SEI scholarship programs.
4. The scholarship programs are currently open for applicants (Batch 9). Hence, the NEAP Scholarship Secretariat evaluated the documents of the applicants initially screened by the sponsoring agency based on DepEd Order No. 68, s. 2009 titled *Scholarship and Training Grant/Fellowship Pool*, which states that potential

scholars must be in service for at least five years with at least very satisfactory performance for the last two years.

5. The difference between the applicants' date of application, as indicated in the form submitted, and their first day of service as a permanent employee, was used in determining their number of years of service in DepEd.
6. The following are the Batch 9 applicants with the corresponding evaluation results of their documents:

 - a. DepEd, upon the receipt of information pertaining to the availability of scholarship slots for the graduate scholarship program, shall issue a memorandum to disseminate the information to its regional and division offices.

- b. DepEd, through its **regional and division offices** and upon notice by applicants from DepEd teaching and/or non-teaching personnel of their intention to apply for a slot in the graduate scholarship programs, shall thereafter **issue potential qualifier's Permit to go on Leave (Official Time) with Compensation.**
 - c. DepEd, **upon review and validation of the list of potential qualifiers** from DepEd by its regional and division offices, shall certify the list endorsed by DOST-SEI upon review and validation of its R&D applicants that are eligible to avail of study leave in accordance with Civil Service Rules on Scholarships and other related rules and regulations, and submit aforesaid list to DOST for the final joint approval of the respective Secretaries of DepEd and DOST.
 - d. DepEd shall allow qualified DepEd personnel to receive their respective salaries and/or emoluments for the duration of their inclusion in the graduate scholarship program, **subject to relevant accounting rules and regulations.**
8. Thus, it is in the discretion of the signing authority in the scholar's contract with DOST whether to grant permit for the scholar to apply for Leave on Official Time and/or extension of study.
