All Others Concerned

1. Schools Division of Sagay City supports the implementation of SPLAT software (Supporting Parents, Learners, Administrators, and Teachers) this S.Y. 2024-2025. It is a School Information System (SIS) and Learning Management System (LMS) software designed and developed specifically for the Philippine public education system by Right Size Education Technologies, Inc. under the direction of its President, Christopher Hancock.
2. In line with this, SDO - Sagay City, through the Curriculum Implementation Division (CID), shall conduct a pilot testing of SPLAT to Alfredo E. Marañon, Sr. ES - School of the Future, Sagay District 1.
3. The activity aims to:
- a. assess the clarity and comprehensibility of the SPLAT to ensure with alignment of the educational standards and curriculum requirements;
  - b. evaluate the effectiveness of SPLAT in facilitating the teachers' workloads, administrative support and parents engagement;
  - c. solicit feedback from educators, administrators, and parents to the importance, significance and acceptability of SPLAT in the institution.
