- In preparation of the upcoming celebration of the National Children’s Month, as mandated under the Republic Act No. 10661 or the National Children’s Month Act, further strengthened by the Presidential Proclamation No. 267, this Division through the SGOD will conduct an advocacy campaign titled **“Healthier Horizons: Fueling Health and Child Protection in Secondary Schools”**. The campaign will run from **October 7 to October 25, 2024**. (See Annex A: Schedule of Activities)
- “Healthier Horizons: Fueling Health and Child Protection in Secondary Schools”** aligns with the Learners’ Resiliency and Well-Being Pillar of the Basic Education Development Plan 2030. It promotes learner resiliency, rights awareness, and life skills, focusing on child protection, mental health, adolescent health, and drug abuse prevention. The initiative aims to create a safe, nurturing environment and raise awareness on these critical issues across all secondary schools.
- Our team will conduct a symposium within a carefully planned **1-hour time frame**. We respect the importance of a conducive learning environment and aim to seamlessly integrate our awareness efforts into the school day while prioritizing the continuity of classroom activities.
- Supreme Secondary Learner Government (SSLG) Officers are tasked in preparing the venue for the symposium, ensuring that all necessary arrangements are made for a smooth and successful event. They are to collaborate closely with their Adviser and School Head, who will assist in organizing and setting up the venue.
- For queries and concerns, you may contact PDO I Jerald J. Maglantay at +639125297568 or email at jerald.maglantay@deped.gov.ph.
- It is understood that in the conduct of this activity there shall be no discrimination on the account of age, school, gender, civil status, disability, religion or other similar factors, personal circumstances that run counter to the principles of equal opportunity.
