DIVISION MEMORANDUM

No. 657, s. 2024

REITERATING THE MAXIMIZATION OF THE UTILIZATION OF LIBRARY HUB AND BOOK NOOK RESOURCES THRU THE ELIBHUB BOOKHIVE AND IHUB INTERNET ACCESS SERVICES

To: Assistant Schools Division Superintendent
 Chief Education Supervisors – CID & SGOD
 Public Schools District Supervisors
 Public Elementary and Secondary School Heads
 All Others Concerned

- To further strengthen our vision in developing the love for books and the habit of reading among our learners, the Division of Sagay City Library Hub thru the CTD-LRM Section encourages, all school heads and teachers to maximize the utilization of library hub materials to reinforce school reading enhancement programs.
- In light of this, the Sagay City Library Hub introduces an innovative online borrowing system called the **elibhub BookHive**. Developed by the Division ICT unit in collaboration with the Library Hub. This system offers the borrower convenient access to a vast collection of books. It serves as a virtual bookstore, allowing schools to explore, select, and reserve books across various genres from the comfort of their classrooms without interrupting lessons. However, schools without internet access may still opt for the "**Text-A-Librarian**" Program through the Mobile Number 09695280663. Borrowers can choose between two options: picking up books from the library hub or utilizing the **REBW** Program or **Read to Excel** through **Book on Wheels** on a scheduled date.
- Additionally, the **iHub** is an internet service provided by the library hub designed to improve educational opportunities by offering free access to information, especially for those without internet access. It is now up and running, ready to serve teachers, students, and community members from all walks of life.
- Books borrowed from the Hub must be returned after 25 days. If a vehicle is unavailable for the scheduled retrieval and delivery, or if there is a scheduling conflict, bins of books delivered to a school can be exchanged with a neighboring school after 25 days, provided that prior consent is obtained from the library hub personnel before the swap.
- To facilitate the smooth implementation of the program, a training session will be held for all LR and library hub personnel on October 30, 2024, at 1:00 PM in the Library Hub. The orientation and registration details for the **eLibhub BookHive** for all school library coordinators will be announced later.
- School Heads of nearby schools are encouraged to support and assist the School Library Hub Coordinators in sourcing out funds for transporting bins of books between the library and the schools.
