Auspicious Greetings!

First and foremost, we would like to show our gratitude and thanks for a wonderful year of partnership between Fo Guang Shan Foundation Inc. and your SDO. We have been a partner of the Department of Education since 2017 and we still continue up to this date.

This year marks the 9th anniversary of the Three Acts of Goodness Grant, and we would like to congratulate you for having 90 schools under your SDO, with 100% of the submitted proposals making it to this year's TAG Awarding Ceremony and Educators' Forum. This event will be held at Fo Guang Shan Mabuhay Temple in Malate, Manila, from November 28 to December 1, 2024. Please find attached the event matrix, along with the list of schools and their approved projects for Cycle 9.

We wish we could invite all the TAG ambassadors in your SDO, but due to our increasing numbers throughout the Philippines, we hope you can send 12 educators from the provided list this year. We also want to highlight Hautea ES, as they were chosen as one of the Top 10 Best TAG Implementers for Cycle 8. Attached is the list of identified participants that the FGS has considered, focusing on first-time attendees, TAG volunteers and schools that have excelled in implementing the TAG program in your SDO.

Participants will be responsible for booking and purchasing their airfare tickets to and from Manila. These costs will be reimbursed by Fo Guang Shan Foundation Inc., provided that the tickets are purchased between October 19 and October 31, 2024. Any extra check-in baggage fees will be covered by the participants. *Airplane tickets, meals, and accommodation are the only expected expenses that the FGS will cover during the specified dates. Other transportation and incidental expenses will be charged to the School MOOE or other local funds. If there are participants who wish to join the awarding ceremony outside of the identified attendees, they will be accommodated by FGS, provided they cover their own expenses. Please inform us ahead of time if this applies to you.

As part of this activity, we will be hosting an Educators' Forum that will showcase the reports and research studies from each SDO, focusing on the impact of TAG. Your SDO qualifies, as it has been a consistent awardee for five years or more. With the theme "Radiating Kindness: The Power of the Ripple Effect," we invite you to share your achievements as a TAG Division Implementer since Cycle 2. We would love for you to detail how your SDO has reached these milestones, supported by data, as well as your goals and future plans for TAG.

Dr. Josette Balandra, the TAG Division Focal Person, will present these insights to other participants on November 29, 2024, aiming to inspire and promote advocacy for TAG. Additionally, we are excited to **invite you to be our Honorary TAG Advocate** and to share a topic that will inspire educators in their work, life, and daily interactions with others. Your contributions would greatly enrich the experience for all involved.

We will be forever grateful for your support to TAG and other FGS projects that could promote peace, harmony, and unity across the Philippines.

With joined palms,

Imelda P. Tabian
