SUBJECT: **IN-HOUSE CONCENTRATION TRAINING FOR THE 2025 WESTERN VISAYAS REGIONAL ATHLETIC ASSOCIATION (WVRAA) MEET**

DATE: February 3, 2025

1. To ensure the effective participation of the Negros Occidental Provincial Athletic delegation in the 2025 Western Visayas Regional Athletic Association (WVRAA) Meet, rigorous training is essential. In line with this, a 14-day In-House Concentration Training for all identified athletes, coaches, assistant coaches, and chaperones will be conducted from February 10 to February 23, 2025. The training shall be school-based and held at the sports facility of the winning team's school or locality, except for athletics, which will take place at Pana-ad Park and Stadium, Barangay Mansilingan, Bacolod City, from February 8 to February 25, 2025.
2. Selected athletes from other schools/divisions shall report to and be under the guidance and supervision of the winning coaches and chaperones, in coordination with the school heads of the winning team. Division Sports Officers (DSOs) or District/Municipal/City Sports Coordinators are advised to assist and facilitate the conduct of training in their respective divisions/districts/towns/cities. DSOs shall monitor training progress and submit a weekly monitoring report to this office or their respective Schools Division Offices (SDOs).
3. All athletes, including selected participants, shall continue attending classes at their respective schools or nearby schools where they are billeted. Coaches must ensure that athletes meet their academic tasks and requirements by assisting them in attending classes or facilitating the appropriate Alternative Delivery Mode (ADM) of instruction.

4. Furthermore, the grades of athletes shall not be negatively affected due to training sessions and participation in the meet. School heads shall ensure that athletes are given sufficient time to prepare for quizzes and other examinations they may miss. Teachers may grant the highest possible scores or grades as appropriate to recognize the dedication and achievements of high-performing athletes.
5. Attached is the list of athletes in the elementary and secondary levels, including those for Paragames and demo sports, for reference.
6. Transportation expenses for selected athletes, coaches, assistant coaches, and chaperones traveling between their school of origin and the training venue, as well as transportation and other expenses of DSOs/Sports Coordinators for monitoring activities, shall be chargeable against local funds, subject to the usual government accounting and auditing rules and regulations.
7. Immediate and wide dissemination of this memorandum to all concerned is highly encouraged.
