2. The Division Research Committee (DRC) will assume research management responsibilities at the school division level. The DRC will have the following roles and responsibilities:

- a. Provide directions on research initiatives through the national and local Basic Education Research Agenda and the other identified priority research areas in the division;
- b. Evaluate and approve research proposals and other related research initiatives from the schools and community learning centers (CLCs) to be funded under BERF and other fund sources;
- c. Coordinate and assist the District Research Committee in their District level initiatives such as conducting of research proposal writing, research festival that includes presentation of completed research worth sharing with the different schools within the district, and conducting echo seminars/training on learning acquired on research;
- d. Coordinate and assist the District Research Committee in contextualizing education research agenda in districts, schools, and learning centers.
- e. Evaluate and recommend approval of District research proposal/s for BERF/SEF funding;
- f. Forge partnerships with academic and research institutions, government agencies, and other DepEd offices on education research initiatives and projects;
- g. Resolve emerging issues on the management and conduct of research including submission of reports to the Regional Research Committee on all initiatives conducted in the division for research and innovation;

On INNOVATION

- h. Provide directions to INNOVATION initiatives, programs, and related activities;
- i. Coordinate and assist the District Research Committee to showcase the innovative implementation of basic education services in at least five (5) classifications namely: Teaching, Teaching-Related, Non-Teaching, Farm School Implementer, and the Most Sustained Innovation;
- j. Evaluate, approve and recommend Innovation papers from the District level to the Division for selection as entry to the Regional INNOVATION Showdown.

3. The District Research Committee is instructed to reconstitute their membership effective immediately. Specifically, giving priority to those researchers and innovators given various capacity training in Research & Innovation paper writing. An annual Activity Plan of district activities must be submitted to the Division Office for approval so the committee can function as a platform for research and innovations from the school and other learning centers.
4. There shall be no discrimination in the implementation of this Memorandum on account of age, school, gender, civil status, disability and religion or other similar factors/personal circumstances that run counter to the principles of equal opportunity.
5. Widest and immediate dissemination of this Memorandum is desired.
