MESSAGE FROM THE SECRETARY

As we close School Year 2024-2025, I want to extend my heartfelt gratitude to our learners, teachers, school staff, parents, and partners who have been part of this shared journey. This year's theme, *Henerasyon ng Pagkakaisa: Kaagapay ng Bagong Pilipinas*, underscores our collective effort in strengthening our education system to meet the demands of a rapidly evolving world.

I have seen this commitment firsthand in my visits to schools across the country. I have met learners who wake up before dawn to walk kilometers to learn, teachers who go beyond their duty, and parents who sacrifice to provide their children with better opportunities. These realities push us to craft enduring reforms.

Through the 5-Point Reform Agenda, we have taken concrete steps to address classroom shortage, strengthen our workforce by filling critical personnel, accelerate digitalization, enrich career pathways, and implement policies that lead to lasting systemic improvements. We opened the doors of our offices and schools to our partners in the private sector to make all of these happen.

Beyond solving existing challenges, we are also spearheading the groundwork for a future-ready education system. Our goal is not just about an uptick in numbers. Our goal is for every Filipino child, no matter where they are, to have the opportunity for learning, growth, and success.

To our teachers and school staff, your dedication is the foundation of this transformation. Your hope and hard work are the reason we are making progress. To parents and guardians, your support at home shapes the aspirations of our learners and inspires them to strive for more.

To our students, you are the heart of everything we do. Your dreams fuel our drive to make education better and more inclusive.

And to our graduates and completers of SY 2024-2025, congratulations! You are the generation that binds all of us together. As you step into the next chapter of your lives, bring with you the values of perseverance, resourcefulness, and compassion that define us as Filipinos.

As we move forward, DepEd, under the administration of President Ferdinand R. Marcos Jr., remains committed to raising the quality of education, strengthening governance, and ensuring that our youth reach their full potential. With an unyielding commitment to equity, we will build a stronger, more inclusive education system for generations to come.

Maraming salamat at mabuhay ang edukasyon ng Bagong Pilipinas!

MESSAGE END-OF-SCHOOL-YEAR RITES
SCHOOL YEAR (SY) 2024-2025**

Today is your day. After years of late-night study sessions, mountains of schoolwork, extracurricular activities, and balancing friendships, family, and responsibilities, you finally made it. And I know—it hasn't been easy. There were days when the pressure felt overwhelming, when expectations from school, family, and even yourself weighed heavily on your shoulders. But despite all of that, you kept going. You showed resilience, strength, and heart.

Our theme, *Henerasyon ng Pagkakaisa: Kaagapay sa Bagong Pilipinas*, is a reminder that success isn't just about personal achievements—it's about coming together, lifting each other up, and building a future where no one is left behind. You are part of this generation that will shape a better tomorrow, and that's something to be proud of.

As you step into the next chapter—whether it's college, vocational training, or entering the workforce—remember that you don't have to carry the weight of the world alone. It's okay to take a step back when things get tough, to seek help when you need it, and to remind yourself that your worth isn't measured by grades or titles. What truly matters is the kind of person you become—the kindness you show, the integrity you uphold, and the impact you make in the lives of others.

Sagay City is proud of you, and we are here to support you as you chase your dreams. Keep moving forward, even when the road gets tough. You've conquered so much already, and I have no doubt that you will go on to achieve even greater things.

Congratulations, Class of 2025! Your journey is just beginning.

Today, we celebrate your success, not only as individuals but as a generation that embodies unity, resilience, and hope for a better tomorrow. You have conquered challenges, embraced learning, and now stand ready to take on new opportunities that will shape the future of our beloved nation.

The theme of this year's graduation, "**Generation of Unity: Partners for the New Philippines,**" is a powerful reminder that progress is not built by one but by many—by communities coming together, by individuals striving toward shared aspirations, and by the collective effort of those who believe in the transformative power of education.

To our dear teachers, your unwavering dedication, patience, and passion have nurtured these young minds and guided them toward excellence. You have not only imparted knowledge but also instilled values that will serve as their compass in life. We recognize your sacrifices and commend your steadfast commitment to molding the future of our learners.

To our parents and guardians, your love and sacrifices have made this achievement possible. Your guidance, encouragement, and unyielding support have been the foundation of your children's success. You are their first teachers, their pillars of strength, and their greatest inspiration.
