**DIVISION MEMORANDUM**

No. 388, s. 2025

**CONDUCT OF PREVENTIVE HEALTHCARE SERVICE**

To: Assistant Schools Division Superintendent  
 Chief Education Supervisors – CID & SGOD  
 Public Schools District Supervisors  
 Public Elementary and Secondary School Heads  
 All Others Concerned

1. In support of the Department of Education's 5-Point Agenda and its continued commitment to the holistic well-being of its personnel, the Schools Division Office of Sagay City, in partnership with **Golden Global Commercial Trading and Services**, will conduct a **Preventive Healthcare Service Program** for all teaching and non-teaching personnel. This initiative underscores the value of collaboration in achieving DepEd's education and development goals and will be held on **July 2-4, 2025**, at **Sagay National High School – Covered Court** and **July 5, 2025**, at **Bato National High School – Covered Court**. (See Annex A for detailed schedule)
2. The project, **Gintong Puso para sa mga Kaguro** is a wellness initiative for all DepEd personnel, offering preventive healthcare services such as CBC, Urinalysis, Lipid Profile, FBS, and X-Ray. Those availing of the FBS test must fast for 8–10 hours and arrive at the venue by 7:00 AM.
3. This program is offered at **no cost** to beneficiaries, provided they are active PhilHealth members and are not currently registered with any other healthcare facility.
4. Personnel identified as registered with other medical facilities are encouraged to proceed to the nearest PhilHealth Office to request a transfer. This will enable them to access the services provided through the program. (*Kindly refer to Enclosure B*)
5. Schools that are not included in the Preventive Healthcare Services scheduled on July 2–5, 2025, will be accommodated on a later date, which will be announced accordingly.
6. Schools with a large number of teaching personnel have been scheduled accordingly across the three-day Preventive Healthcare Service Program. School Heads are given the discretion to manage and distribute their teachers across the assigned dates. During their scheduled healthcare services, all participating teachers shall implement an **Alternate Delivery Mode (ADM)** to ensure the continuity of learning. School Heads are likewise expected to ensure that effective strategies are in place to support continuous learning and minimize disruptions to class instruction.
7. Travel expenses incurred by the identified participants for this activity shall be on their personal account. Additionally, host schools are kindly requested to provide

Your active participation reflects our shared commitment to personal well-being and professional excellence.

9. It is understood that in the conduct of this activity there shall be no discrimination on the account of age, school, gender, civil status, disability, religion or other similar factors, personal circumstances that run counter to the principles of equal opportunity.
