Division of Sagay City  
Sagay City, Negros Occidental

Dear Mr. Uguil

Greetings of peace and goodwill!

I am Bryan B. Romero, MRO of the Cebu CFI Community Cooperative (CFI COOP) - Bacolod Branch. In these trying times, we know how much financial security means to people and we would like to help you and your employee in this regard. Please allow me to humbly introduce our cooperative and invite you to get to know us more.

The CFI COOP is a multi-purpose cooperative duly registered with the Cooperative Development Authority (CDA) and with business address at Capitol Compound, Cebu City. Presently, it has more than 160,000 members with capitalization of over P2 Billion and assets of more than P15 Billion.

The primary purpose of CFI COOP is to enlighten its members about the importance of investing in their future and to provide a clearer vision of their investments, healthcare services, loan products, and others. **We are also extending salary loans including bonus, benefit loan, and other CFI loan products to government & private employees** provided their monthly amortizations to the cooperative are made through payroll deduction.

In this regard, we are inviting your employees or personnel to become a member of the COOP and enjoy its privileges.

It would be an honor to make a presentation to your company and address your concern and queries. We are willing to come to your office to give the pre-membership seminar exclusively for your employees. We know that in these difficult times, we need more stable sources of support and we hope Cebu CFI Community Cooperative can be that support for you.
