DIVISION MEMORANDUM

No. **427**, s. 2025

PROJECT REBW (READ TO EXCEL THROUGH BOOKS ON WHEELS)

To: Asst. Schools Division Superintendent
Division Chiefs (CID & SGOD)
Public Schools District Supervisors
School Heads of Public Elementary, Secondary and Senior High Schools
All others concerned

1. DepEd Order No. 75, s. 2008, and DepEd Order No. 64, s. 2009, emphasizes the role of the Library Hub as a reservoir of supplementary reading materials, envisioned to develop the love for books and cultivate the habit of reading in support of the goal of making every child functionally literate.
2. To further strengthen its vision, the Division of Sagay City, through the Curriculum Implementation Division – Learning Resource Management Section (CID-LRMS) Library Hub, encourages all teachers and school heads to participate in the implementation of maximizing the utilization of Library Hub resources.
3. In order to facilitate maximum utilization, Sagay City Library Hub shall intensify the lending of library resources through **Project REBW (Read to Excel through Books on Wheels)**. This initiative aims to deliver and retrieve supplementary reading materials to and from schools in far-flung areas, thereby optimizing the use of Library Hub resources to support school-based reading enhancement programs.
3. Schools located near the city and are accessible of transportation are encouraged to visit the Library Hub to select from the available titles for borrowing. As the Library's **eLibHub BookHive** and **iHub** programs are temporarily unavailable due to ongoing internet connectivity improvements, both nearby schools and those under the REBW program may avail of the **"Text-A-Librarian"** service. Schools may send their list of books to be borrowed based on the enclosed list of titles, via mobile number **09695280663**. This will allow the library staff to prepare the requested materials in advance for pickup on a scheduled date.
4. Borrowing library materials carries an underlying level of accountability, particularly in cases of loss or damage. Nonetheless, school heads, teachers, and reading coordinators are encouraged to embrace this responsibility as an essential part of the shared mission to cultivate a love for reading among learners. Taking initiative, despite potential risks, demonstrates a collective commitment to providing access to quality books, especially in remote communities where such resources are most needed.
5. Potential book losses should not become a barrier to providing learners with access to reading materials. Schools are advised to implement clear accountability systems, involve students in taking care of borrowed books, and strengthen collaboration among teachers. The Division upholds its confidence in the integrity and dedication of teachers and reaffirms its role in supporting responsible resource management.
6. Below is the role of School Hub Management Team (SHMT) as stipulated in the *Library Hub Handbook*.

MATERIALS IN THE DIVISION LIBRARY HUB AND BOOK NOOK**

A. POLICY ON BORROWING

In the borrowing process, the Library Hub serves as a central reservoir or "wholesaler" of supplementary reading materials, while the school acts as the "retailer." This means that books borrowed from the Library Hub shall be distributed to teacher-advisers across all grade levels and sections to ensure the maximum utilization of these resources.

1. The Division Librarian keeps a master list of all public elementary, secondary and Senior High School in the Division which includes names of school heads, Library Coordinators/Teacher-In-charge, or any representative authorized to borrow bins of books for the school with their contact numbers. In case of their retirement/ transfer/separation from the service, a clearance regarding library hub borrowed books and other materials must be secured. (LH Handbook Chapter IV.1)
2. The School heads shall prepare in advance the list of reading materials indicating the Box/Bin Number (composed of Grade level and Box Number) and the title to be borrowed and returned through the Hub Librarian/School Library Coordinators. (LH handbook IV.2)
3. However, personal or individual borrowing is also encouraged. In such cases, borrowers must leave their valid ID, which will be returned once the borrowed materials are duly returned.
4. A **"No Noon Break" policy** shall be strictly implemented to maximize service availability. Borrowing schedules are set from **Monday to Wednesday**, between **7:30 a.m. and 5:30 p.m.** Service hours may be extended beyond the scheduled time if there are borrowers present within the Library Hub. This measure is in line with the Division's commitment to uphold the **"Time-on-Task"** Policy and to ensure that all borrowers are accommodated efficiently.
5. A maximum of **15 titles** of reading materials may be borrowed at a time, depending on the availability of the requested titles. Borrowed materials shall remain in the school for **twenty-five (25)** calendar days to give ample time for school to maximize utilization.
6. The **School Head** and **Reading Coordinator** shall oversee the proper distribution, usage, and monitoring of these materials to ensure accountability, equitable access, and the achievement of intended learning outcomes.
