DIVISION MEMORANDUM

No. 643, s. 2025

PARTICIPATION OF GRADE 5 & 6 PUPILS TO THE PSHS-WVC TULONG-DUNONG PROGRAM

To: Assistant Schools Division Superintendent
Chief Education Supervisors - CID & SGOD
Public Schools District Supervisors
Public and Private Elementary and Secondary School Heads
All Others Concerned

1. The Schools Division Office, through the Curriculum and Implementation Division (CID), informs the field of the participation of Grade 5 & 6 Pupils to the PSHS-WVC Tulong-Dunong Program at SPED Training Center, Cadiz City on October 18, 2025.
2. This initiative is designed to support Grade 5 and Grade 6 students as they prepare for this year's National Competitive Examination (NCE). Through the Tulong-Dunong program, learners will benefit from focused enrichment classes in Science, Math, and English, along with diagnostic tests and simulation exams to help them build confidence and readiness for the NCE. In addition, teacher-chaperons will be invited to participate in a dedicated lecture series on effective teaching strategies and pedagogy, ensuring holistic support for both students and educators.
3. Attached to this Memorandum is the letter of invitation from Philippine Science High School – Western Visayas Campus.
4. Travel and other incidental expenses incurred during the activity will be charged to school MOOE and other local/school funds subject to the usual accounting and auditing rules and regulations.
5. It is understood that in the conduct of this activity there shall be no discrimination in the provision of such partnership on account of age, school, gender, civil status, disability, religion or other similar factors, personal circumstances that run counter to the principles of equal opportunity.
6. Immediate and wide dissemination of this memorandum is desired.

**SUBJECT: REQUEST FOR PARTICIPATION OF GRADE 5 & 6 PUPILS TO THE
PSHS-WVCTULONG DUNONG PROGRAM IN CADIZ CITY**

Dear SDS Uguil,

Greetings from Philippine Science High School.

The Philippine Science High School System (PSHSS) is once again in search of promising elementary pupils who demonstrate exceptional aptitude in science and mathematics, and who have the potential to become future scholars of the Department of Science and Technology-Philippine Science High School (DOST-PSHS).

To qualify for admission to any of the PSHS campuses, applicants must pass the highly competitive National Competitive Examination (NCE). In relation to this, the PSHS-Western Visayas Campus located in Bitoon, Jaro, Iloilo City will be implementing its **Tulong-Dunong Program** across various cities and municipalities in Negros Occidental on **October 18, 2025**. This initiative aims to assist Grade 5 and 6 pupils in preparing for this year's NCE through enrichment sessions and academic support.

In this regard, we respectfully request the participation of pupils from the **Division of Sagay City**. The Tulong-Dunong program activities will include enrichment classes in Science, Math and English, diagnostic and simulation examinations for pupils aspiring to take the NCE, and a lecture series on pedagogy for teacher-chaperones.

We would be deeply grateful for your favorable consideration of this request. The support extended by your office will significantly contribute to the development of future PSHS scholars from Negros Occidental.

Thank you very much and we look forward to your kind assistance.

Sincerely,

William A. Laride
ATTY. WILLIAM A. LARIDE, Physics Unit AUH
