Attention: Division Farm School Coordinator

Dear Sir:

Greetings!

The **Negros Island Organic Farmers Festival (NIOFF)** has long stood as one of the most celebrated events in the Province of Negros Occidental. This year's festival is anticipated to be more exceptional, as it brings together three major milestone events in one grand celebration; the Negros Island Organic Farmers Festival, Tierra Madre Asia and the Pacific, and National Organic Agriculture Congress.

The NIOFF event will carry the theme: "Organic Revolution: Local Movement, Global Impact", set on **November 19 - 23, 2025** at the Capitol area, Bacolod City. Moreover, the 3-in-1 convergence will serve as a prelude to the 2027 Organic World Congress, which will be hosted by the Province of Negros Occidental.

This theme underscores the festival's mission as a platform for organic agriculture advocates, farmers, policymakers, and stakeholders to unite in a shared vision of sustainable and regenerative food systems. It also highlights the crucial role of partner agencies in advancing the Organic Agriculture Program and fostering inclusive, community-driven growth. A variety of activities to highlight the festival includes fairs and exhibits showcasing the organic produce of local farmers, public talks and conferences, taste workshops and more.

In line with this initiative, we are pleased to invite you and your organic farmer groups to join us in this celebration and to participate in the Fair & Exhibits and showcase your local organic products, innovative practices, and community-driven efforts in sustainable agriculture.
